

Etowah Eagle Band Instrument Loan Agreement

I, _____, hereby acknowledge the receipt of the following instrument.

INSTRUMENT _____ MAKE _____
SERIAL # _____ LOCKER # _____

I agree to the following:

1. If able, I will donate \$70 to the band to cover basic upkeep of the instrument. This covers minor repairs and adjustments. I will take care of my instrument. Over the course of a year, normal use can require an average of \$70-\$300 in repairs before the instrument can be checked out again. Etowah High School helps to keep our instruments in good working condition, but only normal wear and tear.
2. I, and my family, will be fully responsible for the safety and care of this instrument during the entire time this agreement is in effect. This responsibility continues regardless of where the instrument is stored.
3. The use of this instrument is for a limited period of time that may be terminated at the discretion of the band director. In using this instrument, I promise to faithfully follow the school requirements of practice and lesson study in addition to participation in the school band program.
4. Upon return of this instrument, I will ensure that it is in the same condition as I received it. Any expense incurred in the fulfillment of this condition is to be assumed by me. I will NOT attempt to repair the instrument myself. If I decide to take it to the repair shop for repairs I will consult with the Director before doing so.
5. The instrument is for the personal use of the above named student and it will not be lent to anyone, nor will anyone use it except at the discretion of the band director.
7. If I should leave the school or drop out of band I will return this instrument in good condition to the band director prior to leaving.
